Dear Hal:

Enclosed are copies of a U.P.I. photograph which I have furnished to Dick Sprague and R. B. Cutler. I was rather interested in the figure that appears at the right of the second tree east of the Triple Underpass, south side of Dealey Plaza and thought that you might be also, if you were not already aware of it.

Mr. Cutler has advised me that he is in the process of plotting the crossfires on a map (copy enclosed) and I thought that Dick Sprague, by comparing this photo with others, might be able to determine if there was any movement in the area. As of yet I have had no reply from him.

Sincerely,

Emory L Brown, Jr.
